Christmas Competition

Our Fence Doctors are the essential fence repairing tool, as they indicate the voltage and current of the fence, and the direction of any short that may occur. It is simple to use, as it only requires the touch of a button. The case is waterproof and impact resistant, making for a versatile tool. The screen also shows you when the battery is low, and all you have to do is buy a new 9V battery from the supermarket.

To encourage people to 'Like' our Facebook page and share it with their friends, we are running a competition, perfectly timed for a Christmas gift. We are offering to customers a Red Snap'r Fence Doctor for the discounted price of \$164, including postage to anywhere in New Zealand. To enter, you only have to do 2 simple things!

- 1. Make sure that you have 'Liked' our Facebook page, as this ensures that you will continue to see our latest posts.*
- 2. Follow the link below to the post about the competition, then 'Like' and 'Share' before 12pm on Friday the 18th of December so we can post it before Christmas!*

Social Media Developments

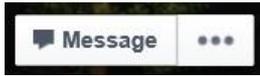

After 20 years of business, you can now reach us on our new Facebook page! Our Facebook page is fully mobile accessible, which means that you can access it anywhere, at anytime, on your cellphone.

To send us a message, you just have to follow 3 easy steps;

- 1. Log in to Facebook with an existing account, or create one for yourself at www.facebook.com*
- 2. Find us under "Red Snap'r Electric Fencing", or at www.facebook.com/redsnapr and 'Like' the page, using the button available on the right hand side of the page, which is shown below.*

3. Click the 'Message' button available on the right hand side of the page, which is shown below.

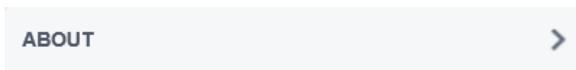

You can also use our Facebook page to access our website, or to see more information about our business.

1. To access our website, click the 'Shop Now' button available at the right hand side of the page, which is shown below.

2. To see more details about our business, click the 'About' button on the left hand side of the page, which is shown below. This provides you with our shop location, phone number, E-mail address and office hours.

On our Facebook page we have photos of some of our current products, with short descriptions about each one. You can find more information about each product, including the price, on our full product list on our website. We will be posting more product photos in the next few months. We will also be posting 'Handy Hints', which will be pieces of information to help you choose, install, and repair your fencing products.

On each of our posts and photos, you have the option to 'Comment', 'Like', or 'Share'. You can use the 'Comment' button to ask questions or leave feedback on a post. You can use the 'Like' button to show us what you find helpful, and what you would like to see more of in the future. You can use the 'Share' button to share posts with your Facebook friends, so they can see what we offer.

Happy farming!

Your Red Snap'r Team
